

# Composable NFTs: beyond static jpegs

Friends With Builders, 2025

Jacob - [@calldata](#)

William - [@williamhzo](#)

Software Engineers, Shape

1

What is Shape,  
composable  
experiences

2

Crafting fully  
customizable &  
reusable items

3

What's next,  
contribute &  
links

# What is Shape?

- Culture-first L2 to power the new NFT economy
- Gasback
- Home for unique experiences: [Infinite Garden](#), [Otom](#), [Moveable Type](#), etc
- Place for tinkerers, hackers, artists, ...
- Composable experiences

[shape.network](https://shape.network)

[docs.shape.network](https://docs.shape.network)

[x.com/Shape\\_L2](https://x.com/Shape_L2)

# OTOM & Assembly

Generative art project, Kjetil Golid

[otom.xyz](https://otom.xyz)

[docs.shape.network/.../otom](https://docs.shape.network/.../otom)

Open, community-lead

[assembly.otom.xyz](https://assembly.otom.xyz)

[docs.shape.network/.../assembly](https://docs.shape.network/.../assembly)

# Live demo

[fwb-workshop.vercel.app](https://fwb-workshop.vercel.app)

## More examples

- Fully permissionless: can be used anywhere on Shape, by anyone
- Creator economy: set a craft cost, collect revenue
- [Heavy Helms](#): craft an armor, a shield, a specific weapon
- [Zero Sum Pact](#)
- Community access gate

# What's next?

- Create your own items
- Explore existing worlds ([Infinite Garden](#), [OTOM](#), [Stack](#), etc.)
- Build on Shape
  - [Onchain Humans](#)
  - [Documentation](#)
  - [Discord](#)

# Thank You!
